

Walker's Grove Elementary School Morning Arrival Map

Village of Plainfield, IL

Walker's Grove Arrival & Dismissal Procedures

Arrival by Car

- Please pull completely forward, following staff directives & moving as far forward as possible. By utilizing the entire lane, we can safely unload up to 15 cars at one time. All cars will move forward in a timely manner when all cars are unloaded.
- We ask students to exit the vehicle on the curb side and grown-ups stay in cars. We encourage students to unbuckle themselves and exit the vehicle on their own.
 - Walker's Grove provides supervision for students and car support beginning at 8:50 am. Staff and student helpers are available to help new and younger students find their classroom if needed. Please do not arrive prior to 8:50 am to avoid congestion along 135th Street. Cars parked along 135th Street or Rt. 30 may be subject to a traffic citation.
 - Please note: when turning onto 135th Street, cars may only turn right during morning arrival.

Arrival as a Walker or Bike Rider

- Students who choose to walk or ride their bikes to school may use the front or back crosswalk.
- When using the crosswalk in the front of the building, students must wait until a staff member is present (with stop sign and vest) before crossing the street. We kindly ask students to walk their bikes or scooters while on school grounds to ensure safety for all students walking into the school zone.
- Students who chose to utilize the back crosswalk (next to the playground) must wait at the playground entrance until a staff member is present (with stop sign and vest). Students and staff will utilize the white crossing zone to safely cross onto the sidewalk and may enter Door G or Door K.
